- 6.2. If delay is foreseen, Contractor shall give written notice to the TPWD. Contractor must keep the TPWD advised at all times of status of order.
- 6.3. Default in promised delivery (without accepted reasons) or failure to meet specifications authorizes the TPWD to purchase supplies elsewhere and charge full increase, if any, in cost and handling to defaulting Contractor.

8. **CHANGES**: TPWD may at any time, by a written order, make changes within the general scope of this contract, in the definition of services to be performed, and the time (i.e., hours of the day, days of the week, etc.) and place of performance thereof. If any such change causes an increase or decrease in the cost of, or the time required for the performance of any part of the services under this contract, whether changed or not changed by any such order, an equitable adjustment shall be made in the contract price or time of performance or both and the contract shall be modified in writing accordingly. Any claim by the Contractor for adjustment under this clause must be asserted within 30 days from the date of receipt by the Contractor of the notification of change, provided, however, that TPWD, if it decides that the facts justify such action, may receive and act upon such claims asserted at any time

prior to final payment under this contract. Failure to agree to any adjustment shall be a dispute concerning a question of fact within the meaning of the clause of this contract entitled "Dispute Resolution."

9. INVOICING AND PAYMENT:

- 9.1. In order to receive payment under the Contract, the Respondent must submit an original invoice to TPWD, which will be designated in the purchase order as the "Bill To" address. To be a proper invoice that may be accepted and paid, the invoice must include the following information and/or attachments: (1) Name and address of the Contractor. (2) The Contractor's Texas Identification Number (TIN). (3) The Contractor's invoice remittance address. (4) The purchase order number authorizing the delivery of products or services. (5) A description of what the Contractor delivered, including, as applicable, the time period, serial number, unit price, quantity, and total price of the products and services. If the invoice is for a lease, the Contractor must also include the payment number (e.g., 1 of 36).
- 9.2. Disputed Invoices: As stated above, the Respondent will receive notice of an error in an invoice submitted for payment by not later than the 21st day after the date the invoice was received by the TPWD. If an invoice dispute is resolved in favor of the Respondent, the Respondent is entitled to receive interest on the unpaid balance of the invoice, beginning on the date the invoice became overdue, pursuant to §2251.021, Gov't Code. If a dispute is resolved in favor of the TPWD, the Respondent shall submit a corrected invoice that must be paid in accordance with §2251.021. The unpaid balance accrues interest if the corrected invoice is not paid by the appropriate date.
- 9.3. Time and Manner of Payment: Pursuant to Texas Government Code Chapter 2251, Payment by TPWD is overdue on the 31st day after the later of: (1) the date the TPWD receives the goods under the Contract; (2) the date the performance of the service under the contract is completed; or (3) the date the TPWD receives the invoice for the goods or service. Payment by a political subdivision Customer whose governing body meets only once a month or less frequently is overdue on the 46th day after the later event of: (1) the date the Customer receives the goods under the Contract; (2) the date the performance of the service under the contract is completed; or (3) the date the Customer receives the invoice for the goods or service.

10. PATENTS, TRADEMARKS, OR COPYRIGHTS: Respondent agrees to defend and indemnify the TPWD and State from claims involving infringement or violation of patents, trademarks, copyrights, trade secrets, or other proprietary rights, arising out of the TPWD's or the State's use of any good or service provided by the respondent as a result of this solicitation.

11. COPYRIGHTS AND PUBLICATIONS: The Respondent understands and agrees that, where activities supported by the Contract produce original books, manuals, films, or other original material (hereinafter referred to as "the works"), the Respondent may copyright the works subject to the reservation by the TPWD of a royalty-free, nonexclusive, and irrevocable license to reproduce, publish or otherwise use, and to authorize others to use, for state and/or political subdivision purposes:

- the copyright in the works developed under the Contract, and
- any rights of copyright to which the Respondent purchases ownership with funding from the Contract.

The Respondent may publish, at its expense, the results of Contract performance with prior TPWD review and approval of that publication. Any publication (written, visual, or sound) shall include acknowledgment of the support received from the TPWD. One (1) copy of any such publication must be provided to the TPWD. The TPWD reserves the right to require additional copies before or after the initial review. All copies shall be provided free of charge to the TPWD.

12. PROHIBITION ON LOBBYING: The Respondent shall comply with the provisions of a federal law known generally as the Lobbying Disclosure Act, 2 U.S.C. §1601 et seq. By submitting a Proposal, the Respondent certifies that it shall not and has not used federally appropriated funds to pay any person or organization for influencing or attempting to influence any officer or employee of any federal agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any federal contract, grant, or any other award covered by 31 U.S.C. §1352. It also certifies that the Respondent shall disclose any lobbying with non-federal funds that takes place in connection with obtaining any federal award by completing and submitting Standard Form LLL.

13. ANTI-TRUST AND ASSIGNMENT OF CLAIMS: The Contractor may publish, at its expense, the results of Contract performance with prior TPWD review and approval of that publication. Any publication (written, visual, or

sound) shall include acknowledgment of the support received from the TPWD and Customers. One (1) copy of any such publication must be provided to the TPWD. The TPWD reserves the right to require additional copies before or after the initial review. All copies shall be provided free of charge to the TPWD.

14. **DEBTS AND DELINQUENCIES:** As required by §2252.903, Gov't Code, the Respondent agrees that any payments due under the Contract shall be directly applied towards eliminating any debt or delinquency including, but not limited to, delinquent taxes, delinquent student loan payments, and delinquent child support.

15. **DISPUTE RESOLUTION:**

- 15.1. The dispute resolution process provided for in Chapter 2260 of Texas Government Code shall be used by TPWD and the Respondent to resolve all disputes arising under this contract. The Contractor shall comply with such rules, as revised from time to time.
- 15.2. The dispute resolution process provided for in Chapter 2260 shall be used, as further described herein, to attempt to resolve any claim for breach of contract asserted by the Contractor under the Contract. If the Contractor's claim for breach of Contract cannot be resolved by the Parties in the ordinary course of business, it shall be submitted to the negotiation process provided in Chapter 2260. To initiate the process, the Contractor shall submit written notice, as required by Chapter 2260. The notice shall also be given to the individual identified in the Contract for receipt of notices. Compliance by the Contractor with Chapter 2260 is a condition precedent to the filing of a contested case proceeding under Chapter 2260.
- 15.3. The contested case process provided in Chapter 2260 is the Contractor's sole and exclusive process for seeking a remedy for an alleged breach of Contract by TPWD if the Parties are unable to resolve their disputes as described above.
- 15.4. Compliance with the contested case process provided in Chapter 2260 is a condition precedent to seeking consent to sue from the Legislature under Chapter 107, Civil Practices and Remedies Code. Neither the execution of the Contract by TPWD nor any other conduct of any representative of TPWD relating to the Contract shall be considered a waiver of sovereign immunity to suit.
- 15.5. For all other specific breach of contract claims or disputes under the Contract, TPWD and the Contractor shall first attempt to resolve them through direct discussions in a spirit of mutual cooperation. If the Parties' attempts to resolve their disagreements through negotiations fail, the dispute will be mediated by a mutually acceptable third party to be chosen by TPWD and the Contractor within fifteen (15) days after written notice by one of them demanding mediation under this Section. The Contractor shall pay all costs of the mediation unless TPWD, in its sole good faith discretion, approves its payment of all or part of such costs. By mutual agreement, TPWD and the Contractor may use a non-binding form of dispute resolution other than mediation. The purpose of this Section is to reasonably ensure that TPWD and the Contractor shall, in good faith, utilize mediation or another non-binding dispute resolution process before pursuing litigation. TPWD's participation in, or the results of, any mediation or other non-binding dispute resolution process under this Section or the provisions of this Section shall not be construed as a waiver by TPWD of (1) any rights, privileges, defenses, remedies or immunities available to TPWD as an agency of the State of Texas or otherwise available to TPWD; (2) TPWD's termination rights; or (3) other termination provisions or expiration dates of the Contract.
- 15.6. Notwithstanding any other provision of the Contract to the contrary, unless otherwise requested or approved in writing by TPWD, the Contractor shall continue performance and shall not be excused from performance during the period any breach of contract claim or dispute is pending under either of the above processes; however, the Contractor may suspend performance during the pendency of such claim or dispute if the Contractor has complied with all provisions of §2251.051, Gov't Code, and such suspension of performance is expressly applicable and authorized under that law.

16. **FRAUD, WASTE, AND ABUSE:** By submitting a Response to this Solicitation, the Respondent represents and warrants that it has read and understood and shall comply with CPA's Anti-Fraud Policy, found at: <http://www.window.state.tx.us/ssv/ethics.html>, as such Policy currently reads and as it is amended throughout the term of the Contract.

17. **NAME CHANGES AND SALES:** If the Contractor changes its name or is sold to another entity, it must provide written notification to TPWD. The Contractor, in its notice, shall describe the circumstances of the name change or sale, state its new name, provide the new Tax Identification Number, and describe how the change will impact its ability to perform the Contract. If the change entails personnel changes for personnel performing the responsibilities of the Contract for the Contractor, the Contractor shall identify the new personnel and provide resumes to TPWD, if resumes were originally required by the Solicitation. TPWD may request other information about the change and its

impact on the Contract and the Contractor shall supply the requested information within five (5) working days of receipt of the request.

TPWD may terminate the Contract due to a sale of or change to the Respondent that materially alters the Respondent's ability to perform under the Contract. The TPWD has the sole discretion to determine if termination is appropriate.

- 18.1. Contractor agrees to comply with all terms and conditions contained in this solicitation and resulting Contract.
- 18.2. Contractor guarantees services offered will meet or exceed the written specifications identified in this solicitation.

By submitting a Proposal, the Respondent certifies that it does not employ any person who was the Executive Head of a state agency in the past four years. - 18.8. Contractor shall provide all labor, equipment and materials (unless otherwise stated herein) necessary to furnish the goods or perform the service. All employees of the Contractor shall be a minimum of 17 years of age and experienced in the type of work to be performed. Only the Contractor and its employees will be allowed on state property during working hours.

- 19. TERMINATED CONTRACTS:** By submitting a Response, the Respondent certifies that it has not had a contract terminated or been denied the renewal of any contract for non-compliance with policies or regulations of any state or federally funded program within the past five (5) years nor is it currently prohibited from contracting with a governmental agency. If the Respondent does have such a terminated contract, the Respondent shall identify each and provide an explanation for the termination.

- 20. INDEPENDENT CONTRACTOR:** The Contract shall not render the Respondent an employee, officer, or agent of the TPWD for any purpose. The Respondent is and shall remain an independent contractor in relationship to the TPWD. The TPWD shall not be responsible for withholding taxes from payments made under the Contract. The Respondent shall have no claim against the TPWD for vacation pay, sick leave, retirement benefits, social security, worker's compensation, health or disability benefits, unemployment insurance benefits, or employee benefits of any kind.

- 21. ABANDONMENT OR DEFAULT:** If Contractor is found to be in default under any provision of this Contract, TPWD may cancel the Contract without notice and either re-solicit or award the contract to the next best responsive and responsible Respondent. In the event of abandonment or default, Contractor will be responsible for paying damages to TPWD including but not limited to re-procurement costs, and any consequential damages to the State of Texas or TPWD resulting from Contractor's non-performance. The defaulting Contractor will not be considered in the re-

solicitation and may not be considered in future solicitations for the same type of work, unless the specification or scope of work is significantly changed.

- 22. RIGHT TO AUDIT / RECORDS RETENTION:** Contractor understands that acceptance of funds under this contract acts as acceptance of the authority of the State Auditor's Office, TPWD or any successor agency, to conduct an audit or investigation in connection with those funds. Contractor further agrees to cooperate fully with the above parties in the conduct of the audit or investigation, including providing all records requested. Contractor shall maintain and retain supporting fiscal and any other documents relevant to showing that any payments under this Contract funds were expended in accordance with the laws and regulations of the State of Texas, including but not limited to, requirements of the Comptroller of the State of Texas and the State Auditor. Contractor shall maintain all such documents and other records relating to this Contract and the State's property for a period of four (4) years after the date of submission of the final invoices or until a resolution of all billing questions, whichever is later. Contractor shall make available at reasonable times and upon reasonable notice, and for reasonable periods, all documents and other information related to the work of this Contract. Contractor and the subcontractors shall provide the State Auditor with any information that the State Auditor deems relevant to any investigation or audit. Contractor must retain all work and other supporting documents pertaining to this Contract, for purposes of inspecting, monitoring, auditing, or evaluating by TPWD and any authorized agency of the State of Texas, including an investigation or audit by the State Auditor. Contractor shall cooperate with any authorized agents of the State of Texas and shall provide them with prompt access to all of such State's work as requested. Contractor's failure to comply with this Section shall constitute a material breach of this Contract and shall authorize TPWD and the State of Texas to immediately assess appropriate damages for such failure. Contractor acknowledges and understands that the acceptance of funds under this Contract shall constitute consent to an audit by the State Auditor, Comptroller or other agency of the State of Texas. Contractor shall ensure that this paragraph concerning the State's authority to audit funds received indirectly by subcontractors through Contractor and the requirement to cooperate is included in any subcontract it awards. Furthermore, under the direction of the legislative audit committee, an entity that is the subject of an audit or investigation by the State Auditor must provide the State Auditor with access to any information the State Auditor considers relevant to the investigation or audit.
- 23. FORCE MAJEURE:** TPWD may grant relief from performance of the contract if the Contractor is prevented from performance by an act of war, order of legal authority, act of God, or other unavoidable cause not attributable to the fault or negligence of the Contractor. The burden of proof for the need of such relief shall rest upon the Contractor. To obtain release based on force majeure, the Contractor shall file a written request with TPWD.
- 24. PROPRIETARY OR CONFIDENTIAL INFORMATION:** Responses may include proprietary or confidential information. TPWD will take reasonable precautions in protecting such information provided that it is clearly identified as proprietary or confidential on the page on which it appears.
- 25. RIGHT TO DATA, DOCUMENTS AND COMPUTER SOFTWARE (STATE OWNERSHIP):** Any software, research, reports studies, data, photographs, negatives or other documents, drawings or materials prepared by Contractor in the performance of its obligations under this contract shall be the exclusive property of the State of Texas and all such materials shall be delivered to the State by the Contractor upon completion, termination, or cancellation of this contract. Contractor may, at its own expense, keep copies of all its writings for its personal files. Contractor shall not use, willingly allow, or cause to have such materials used for any purpose other than the performance of Contractor's obligations under this contract without the prior written consent of the State; provided, however, that Contractor shall be allowed to use non-confidential materials for writing samples in pursuit of the work. The ownership rights described herein shall include, but not be limited to, the right to copy, publish, display, transfer, prepare derivative works, or otherwise use the works.
- 26. PUBLIC DISCLOSURE / NEWS RELEASES:** No public disclosures or news releases pertaining to this solicitation shall be made without prior written approval of TPWD.
- 27. CONFIDENTIALITY AND SECURITY:** The Respondent should not receive any sensitive or confidential information under the Contract. Any information the Respondent compiles or creates as a result of the Contract must be maintained and protected in accordance with any federal, state, or local laws and regulations that apply. The Respondent shall establish a method to secure the confidentiality of records and other information relating to clients in accordance with applicable federal and state laws, rules, and regulations. The obligations of the Contractor under this Security and Confidentiality Article shall survive this Contract and shall be included in all subcontracts.

28. **TERMINATION:** This contract shall terminate upon full performance of all requirements contained in this contract, unless otherwise extended or renewed as provided in accordance with the contract terms and conditions.
- 28.1. **Termination for Convenience:** TPWD reserve the right to terminate the contract at any time, in whole or in part, without cost or penalty, by providing 30 calendar days' advance written notice if TPWD determines that such termination is in the best interest of the state. In the event of such a termination, the Contractor shall, unless otherwise mutually agreed upon in writing, cease all work immediately upon the effective date of termination. TPWD will be liable for payments limited only to the portion of work authorized by TPWD in writing and completed prior to the effective date of cancellation, provided that TPWD shall not be liable for any work performed that is not acceptable to TPWD and/or does not meet contract requirements. All work products produced by the Contractor and paid for by TPWD shall become the property of TPWD and shall be tendered upon request. Termination under this paragraph shall not relieve the vendor of any obligation or liability that has occurred prior to cancellation.
